

SIIA ENDEAVORS

SIIA will hold a Future Leaders Mentor Connection Forum April 6-7th at the The Notary Hotel, Autograph Collection, in Philadelphia, PA.

This interactive event has been designed to connect younger SIIA members (under age 40) with several of the most successful senior self-insurance/captive insurance industry executives in a “speed-mentoring” format. Attendees will have unique access to those who can provide practical career advancement advice, including tips on how they can be more valuable to their employers.

The format will also encourage interaction among attendees, which is important in helping them develop the professional networks necessary for them to be successful in the self-insurance/captive insurance industry – networks the mentors have spent years developing for themselves.

Groups of three to five attendees will meet with designated mentors for 30-minute discussion sessions and then rotate to visit with other mentors for successive 30-minute sessions.

Due to logistical restrictions of the format, attendance will be limited to 100, so please register early if you would like to attend.

SIIA intends for this to be a “safe” environment with regard to employment solicitations. In this regard, we ask that attendees refrain from approaching any of mentors regarding employment opportunities with their companies and that mentors likewise not engage in employment discussions with any attendees.

The following list of mentors have confirmed their participation. As you will see, they represent all segments of the self-insurance marketplace (group health, captives & workers' compensation) and each of them have been very successful in their respective careers as well as being highly involved with SIIA in various capacities. Additional mentors may be announced closer to the date, so please check www.siiia.org periodically to see the latest line-up.
