

SIIA Endeavors

The Self-Insurance Industry's Experience of the Year... SIIA's 36th Annual National Conference & Expo in Austin, Texas

Self-Insurance Institute of America's (SIIA) upcoming National Conference & Expo is scheduled for September 25th-27th at the JW Marriott Austin in Austin, TX. This is the world's largest event focused exclusively on the self-insurance/alternative risk transfer marketplace and typically attracts more than 1,700 attendees from around the United States, and from a growing number of countries around the world.

The National Conference & Expo will feature more than 40 educational sessions focusing on self-insured group health plans, captive insurance, self-insured workers' compensation programs and international self-insurance/ART trends, a huge exhibit hall, and numerous networking opportunities to help you connect with senior executives and other key players in our industry.

If you arrive early, on Saturday evening, September 24th, there will be an invitation only event for the Self-Insurance Political Action Committee (SIPAC) contributors. Please contact Wrenne Bartlett at wbartlett@siaa.org for details.

This year's sessions will kick off with keynote speaker Chris Stirewalt, Digital Politics Editor, Fox News

Channel with an Election Day preview on Monday, September 26th at 8:30am.

The always popular end of conference party returns this year, and will be held on the evening of September 27th, and will feature live music at a fun venue close to the hotel. The SIIA Speakeasy will be a great way to cap off your conference experience and fit in one last round of networking, so you are encouraged to make your travel plans accordingly!

Many senior industry executives representing TPAs, employers, stop-loss carriers, captive managers, brokers and other key players in the self-insurance marketplace have already registered, making this a truly must-attend event.

The expansive exhibit hall is almost sold out and sponsorship opportunities have become more limited, so if you want to promote your company's corporate brand at this event, it is suggested that you reserve exhibit space/sponsorships now. For immediate assistance, contact Justin Miller at jmiller@siaa.org.

Detailed conference information, including registration forms, can be accessed online at www.siaa.org/national, or by calling (800) 851-7789.

We look forward to seeing you in Austin this September! ■
