

# SIIA ENDEAVORS

SIIA's 41st Annual National Educational Conference & EXPO will be October 3 - 5, 2021 and will be in-person & virtual at the JW Marriott in Austin, TX.

The world's largest self-insurance event is back with an entirely fresh approach to conferencing. So what's The Way Forward....in person or virtual?

SIIA will deliver the best of both formats, with a "blended" National Conference that will allow everyone to participate in whatever way works best for them and their organizations. Join us and be a part of what promises to be a groundbreaking industry event.

This year's SIIA conference will provide more ways to connect than ever before.
