SIIA ENDEAVORS

IIA's 42nd National Educational Conference & EXPO will be October 9-11th at the JW Marriott Desert Ridge Resort & Spa in Phoenix, AZ.

This year's SIIA conference will provide more ways to engage with colleagues and friends. The Exhibit Hall has more than 100 companies showcasing products/services for self-insured health plans and captive insurance companies.

This year's biggest self-insurance event is approaching quickly, and attendees are already scheduling meetings to connect on-site.

The current attendee list along with the final conference program can be accessed at www.siiaconferences.org.

Please register now if you have not already done so, so you can be added to the list.

This will advertise your participation to others and get you into the meeting scheduling mix in the coming weeks. The list will be updated regularly from this date forward.

We should note that SIIA produces this event for the benefit of registered attendees. To ensure this exclusive value, access to most of the host hotel space, including the lobby bar, will be restricted to registered attendees during conference hours...another important reason to sign up now if you have not already done so.

Let’s discuss how we can help your clients reach their goals.

This example is illustrative only and not indicative of actual past or future results. Stop Loss is underwritten by Berkley Life and Health Insurance Company, a member company of W. R. Berkley Corporation and rated A+ (Superior) by A.M. Best, and involves the formation of a group captive insurance program that involves other employers and requires other legal entities. Berkley and its affiliates do not provide tax, legal, or regulatory advice concerning EmCap. You should seek appropriate tax, legal, regulatory, or other counsel regarding the EmCap program, including, but not limited to, counsel in the areas of ERISA, multiple employer welfare arrangements (MEWAs), taxation, and captives. Networking Opportunities Highlights

The Blue Eagle Lounge is back! The Lounge is a comfortable and stylish lounge area that will be open for the duration of the conference. Just like old times, the famous SIIA cocktail receptions are back in person...see and be seen!

Future Leaders will set aside their knowledge of self-insurance for a night to focus on competing in SIIA's Inaugural Future Leaders Cornhole Tournament. The competition will be center stage during the opening night reception on Sage Court located outside the lobby bar from 8pm to 10pm. Teams of two will square off for trophies and bragging rights as SIIA 22 Cornhole Champions!

Make sure to stay Tuesday night for the legendary SIIA National Conference party. This year

This year's National Conference Party is going to be a HULLABALOO!

Immerse yourself in a funky, relaxed Bohemian atmosphere (think Coachella), dance to a killer band with a great vibe, or just chill around a huge fire pit. There might even be a few surprises along the way. We'll serve up light snacks and a cash bar so come ready to engage with SIIA members. It's not a party...it's a HULLABALOO!!

We look forward to seeing you in Phoenix! For more information, including registration, please visit www.sii.org.
