The Directory is divided into categories by type of service provided. If your company provides multiple services, you may elect to be listed in more than one section.

The Self-Insurance Directory is a service provider directory that lists third-party administrators, excess/stop-loss insurance carriers, captive managers, brokers/consultants, software vendors and many other companies that provide products and services to payers in the self-insured marketplace.

Through partnership with SIIA (Self-Insurance Institute of America), the Directory is available to any organization seeking professional services in the self-insurance/captive markets. SIIA makes the Directory available through its website and is available at every SIIA Conference/Forum throughout the year.

Who is eligible to list?

All companies that provide a product/service to the self-insurance/captive industry.

Note: SIIA members will receive the SIIA logo next to their listing and reduced rates for additional listings.

How much does it cost?

The first section listing is complimentary for SIIA members and \$350 for non-members. Each additional section listing is \$99 for SIIA members and \$149 for non-members.

How do I get my listing online?

All listings will appear in the online edition on the SIPC and SIIA websites for one full year.

Will my online listing(s) link to my company's website?

Yes, all companies that provide their web address will be linked in the online edition.
